

Do you have a concern about your child's behavior?

5 to 10 year olds needed for play therapy research study*

Intakes for services will begin immediately. **Space is limited!**

Time: 10 weeks of participation

- Is your child struggling at home or school?
- Is your child having a hard time paying attention?
- Is your child getting into trouble at school?

Children will participate in play therapy OR one-on-one mentoring provided by counselors in-training at no cost to you.
